Dear Students,

**GREETINGS FROM IHM BANGALORE!!!**

In wake of the COVID-19 pandemic, we extend our support to you and your family. During these unprecedented times, it is essential to remain optimistic and connected with one another.

As a new academic year approaches, we would like to introduce a new yet familiar method of instruction, online classes. These classes will commence from the 10<sup>th</sup> of August, 2020. This method will ensure that knowledge will be provided in a safe manner while igniting fun, creativity and innovation!

In accordance with the regulations framed by NCHM, we are delighted to announce that all the candidates of the 2<sup>nd</sup> semester have been promoted to the 3<sup>rd</sup> semester and the candidates of the 4<sup>th</sup> semester have been promoted to the 5<sup>th</sup> semester. If there are any candidates who wish to reappear after the results have been declared by NCHM, exams will be held only for the respective candidates.

The time-table for the online classes will be circulated in the respective Whatsapp groups by the concerned faculty and also uploaded on college website . Hence, all the students are requested to keep themselves updated about their classes and attend with utmost sincerity. We encourage each and every one of you to be regular and avoid absenteeism.

The details about the payment of the tuition fees for the III and V semesters have been made available in our college website [www.ihmbangalore.kar.nic.in](http://www.ihmbangalore.kar.nic.in) Students are requested to pay their semester fees.

Our faculty team are eager to interact with you all and we look forward to having you all for the online classes from 10<sup>th</sup> August 2020.
